All procedures not included in this CPT Code listing have a Copayment of 75% of the dentist's usual and customary charge.

All procedures might not be performed by the Participating General Dentist you select. The copayments shown apply to those Participating General Dentists who do perform these services and are not applicable for services performed by a Participating Specialty Dentist. Therefore, you are encouraged to discuss the availability of the scheduled services with your Participating General Dentist. Call Member Services at 281-313-7170 or 1-800-660-6064 if you have any questions concerning fees.

SPECIALTY DENTISTS - Should you need a Specialty Dentist, you may be referred by your Participating General Dentist, or you may refer yourself to any Participating Specialty Dentist from our directory. Upon identification of yourself as an OraQuest member, your co-payment will be the following percentage of the Specialty Dentist's usual fee: Endodontist (root canals) 80%, Oral Surgeon (tooth extractions) 75%, Orthodontist 75%, Periodontist (gum problems) 75%, Pediatric Dentist (children's dentist) 75%.

MISSED APPOINTMENTS - A missed appointment without 24 hours notice may result in a missed appointment charge made by the Participating General and Specialty Dentists. Please discuss this with your selected Participating Dentist.

CHILDREN UNDER 5 YEARS OF AGE - Children under 5 years of age may be referred to a pediatric dentist. Please discuss this with your selected Participating General Dentist.

ORAQUEST DENTAL PLANS — Exclusions & Limitations

The following dental benefits are NOT covered or offered under the OraQuest plan: Oral surgery requiring the setting of fractures or dislocations; treatment of congenital malformations; treatment of malignancies, neoplasms, or cysts including biopsies; dispensing of drugs; any hospitalization costs.

General Provisions

- Any medical treatment which is necessary in conjunction with dental care because of the general health and physical limits of the eligible member as indicated by said member's personal physician or the OraQuest dentist.
- Any treatment requested or appliance made which in the opinion of the treating dentist is not necessary for maintaining or improving the eligible member's health.
- Any treatment covered or provided for by Worker's Compensation or employer's liability laws by a federal or state government agency or provided without cost by any municipality, county or other governmental subdivision.
- Any procedure considered to be experimental by the providing dentist.
- Any dental care provided by a nonparticipating general dentist or specialist except when authorized by OraQuest.
- Dental treatment and expenses incurred for such treatment started prior to the Member's eligibility to receive benefits under this Plan, or started after a Member's termination.

Specific Provisions

- General anesthesia and intravenous sedation are excluded.
- Replacement of lost or stolen prosthetic devices. Dentures or appliances will be replaced only after 5 years have elapsed since such dentures or appliances were provided under any OraQuest program unless the denture becomes unsatisfactory due to illness or other causes not controlled by ordinary circumstances. Replacement under this plan will be made only if the existing denture is unsatisfactory and cannot be made satisfactory.
- Prophylaxis, adult/child: once every six months unless required more often due to dental necessity as determined by member's primary dental provider.
- Full mouth x-rays: Once every 36 months unless required more often for specific diagnostic reasons.
- Panoramic x-rays: Once every 36 months unless required more often for specific diagnostic reasons.
- Special requests by patients for titanium partial dentures, personalized and cosmetic full dentures or partial dentures (including gold for all removable appliances) differing from standard full or partial dentures will be provided at additional fees determined by the dentist.

Orthodontic Plan Limitations

- Replacement of appliances due to theft, loss or breakage.
- Re-treatment by an OraQuest dentist when the original treatment was done by a different OraQuest dentist or treatment in progress at inception of eligibility unless treatment is continued by an OraQuest dentist.
- Failure to follow prescribed treatment or accidents occurring during the treatment.
- If your coverage terminates, you will be responsible for payment of the balance due for treatment at the dentist's normal fee.
- Special requests by patients for braces differing from standard braces for cosmetic purposes will be provided at additional fees determined by the dentist.

Emergency Provisions

If a Member's Primary Care Dentist is unavailable and emergency services are required, then the Plan will reimburse the cost of EMERGENCY Care only, up to the OraQuest's Usual and Customary Fee, subject to any applicable co-payment provision.

Coordination of Benefits

The value of any benefits or services provided under the Premier 110-01 Plan may be coordinated with any other type of group insurance plan or coverage under governmental programs pursuant to the requirements of the Texas Insurance Code and rules promulgated by the Texas Department of Insurance. Other OraQuest Plans do not qualify for coordination of benefits.
